

## Meeting/Symposium/Conference Funding Request ACS Division of Inorganic Chemistry

The Division of Inorganic Chemistry (DIC) recognizes the value of supporting the organization of symposia, conferences, or meetings that benefit the advancement of inorganic chemistry. If you are organizing such an event and would like to be considered for funding please submit this brief application no later than **February 15, 2024** for evaluation in March and by **July 25, 2024** for evaluation at the Fall DIC meeting. The application should be submitted to ACS DIC Chair Lisa M. Berreau (lisa.berreau@usu.edu). **Late submissions will not be considered.**

### Meeting/Symposium/Conference:

**Date of Event:**

**Location of Event:**

**Organizers:**

**Affiliation(s):**

**Email:**

**Phone:**

**Budget request \$**

**Funding approved?**

**Other sponsors:**

**Session topics:**

**Invited speakers:**

**Diversity:** Please indicate speakers bringing diversity with a \* sign and in parenthesis the type (gender, race, career stage, academic vs industrial/gov labs, etc.). Please indicate any speakers that have accepted/expressed interest in the symposium using a # sign.

Estimated % diverse speakers:

Statement explaining how the funds will be used:

Statement explaining how the symposium will impact inorganic chemistry and address the stated goals of inclusiveness and diversity:

Note: If you are requesting funds for a symposium at an National ACS Meeting, please use the ACS Symposium Funding Request form.
